Sarany, thank you so much for offering to send these booklets directly to our field operation offices, overnight please. We are requesting the following quantities; if that is too many, just adjust or if you have many—we would gladly take them. And, if sending to multiple locations is a problem, you can send them to me at my address below.

Could you please send 500 English/500 Spanish to:

Gloria Vaughan
EPA Houston Laboratory, Public Affairs
10625 Fallstone Road
Houston, Texas 77099
(281)983-2100

Could you please send 500 English/500 Spanish to:

US EPA Public Affairs
Joe de la Rosa
2901 Turtle Creek Drive
Port Arthur, Texas 77642
469-371-2529

Could you please send 250 English/250 Spanish to:

US EPA Public Affairs

2001 Suntide Road
Corpus Christi, Texas 78409-2111
469-222-7810

Thanks so much.

Denise Williams

Subject: RE: Hard copy documents for Hurricane Harvey

Diane,

This the actual document from CDC. Also check out the information on the highlighted link in my signature block for the links to our most current outreach information.

“Homeowners and renters Guide to mold cleanup and natural disasters”

CDC has several thousand laminated hard copies of the interagency flood documents that I sent to you in my previous email, and has offered to ship them to you if you would like some. Please contact Sarany with your requests:

Sarany Singer
Environmental Protection Agency
Indoor Environments Division
Center for Scientific Analysis

Tel: (202) 343--9057
singer.sarany@epa.gov

They would like to know:

- 1. How many laminated copies in English? In Spanish?**

2. Name and Address (and phone number) for delivery

3. The affiliation of the person who will receive these copies (e.g., EPA Regional coordinator, EPA grantee, State/local Environmental Health Dept.)

More publications to come.

Thank you,

Mark D. Berry, Environmental Engineer | Indoor Air Coordinator | Region 6 - Dallas, TX

Subject: RE: Hard copy documents for Hurricane Harvey

Sarany,

Thank you so much. I will forward the information to our Superfund and External Affairs points of contact, Diane Taheri and Bruce Fitch. They are handling the relief efforts and public messaging during the emergency response phase.

However, the R6 IAQ program will have a need for this information during the reconstruction phase as well.

Thank You,

Mark D. Berry, Environmental Engineer | Indoor Air Coordinator | Region 6 - Dallas, TX
